St. Andrew's Religious Education Program

Dear Friends,

A warm welcome to St. Andrew's Parish Community!

We are a vibrant, welcoming and diverse Roman Catholic Community. We gather around in the name of Jesus Christ with whom and through whom we worship and celebrate the Sacraments. We are so glad that you and your family decided to be part of this parish. All staff and visitors are following the strict protocols to ensure your child is in the safest environment.

The Goals of the Program

St Andrew's Parish Religious Education (RE) Program aims to assist parents to be first religious educator in faith of their children and encourage every parent to develop their faith together with their children.

All people are created "in the image and likeness of God", as a result of this, we are restless and learning to fulfil a natural yearning and desires to rest spiritually in our God. As baptised Catholic, we are initiated into the Christian community, which carries with it a continuing need to grow in understanding of and participation in the faith which will gives us spiritual life. Hence every young Christian, by reason of humanity and baptism, has a claim to be religiously educated.

These are the protocols to keep your child's safety first.
